Dear Mr. Limber:

Re: Proposed annexation to
the City of Whittier,
Annex No. 6, 1960

At the meeting held on July 6, 1960, the County Boundary Commission reviewed the boundary description and map submitted by your City Engineer, Vergil C. Haight, with his letter of June 17, 1960, of the proposed annexation of territory to the City of Whittier.

The boundaries submitted do not create corridors of unincorporated territory and conform with record lines. This annexation consists of an existing island of unincorporated territory, completely surrounded by the City of Whittier.

The Boundary Commission approved the boundaries as submitted as to definiteness and certainty in accordance with Section 35002 of the Government Code. A copy of the approved legal description and a list of special districts involved are enclosed for your use.

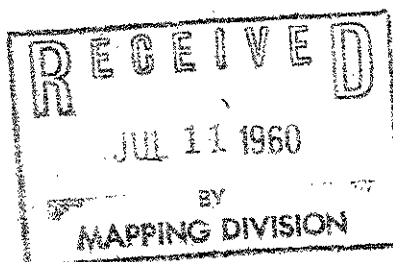

Very truly yours,
